### (1) About the School

St. Margaret's was founded in 1965. Based on the excellent traditions of Catholic Schools, our School aims at providing an all-round education for students. We nurture students to be positive and responsible global citizens with a healthy body and mind.

In 2000, St. Margaret's Educational Organization, a non-profit-making educational organization, was allocated a government-built school premises in Sham Mong Road, West Kowloon. It features a superb 'Y2K' design at a huge building cost. Our School was selected out of more than a hundred applicants by the School Allocation Committee on the strengths of our value-added performance in the past years and our innovative school development plan. This proves that the endeavour of the School in the past 44 years in the education community was appreciated and commended by different sectors of the community.

In 2001, our School joined the Direct Subsidy Scheme which gives us ample freedom to manage the School in aspects such as management, financial resources, curriculum and enrolment of students.
